

The Bodyweight Four.

Four workouts. Twenty exercises. Zero equipment. Rotate A → B → C → D across the week and you'll hit push, pull, legs, core and conditioning every session. Ten reps each set, five sets per exercise, thirty seconds' rest between.

♦ 10 REPS ♦ 5 SETS ♦ 30S REST

A general guide, not gospel. Listen to your body.

A

THE BASE

Foundations

01 Push-ups5 × 10

Hands under shoulders, body straight from head to heels. Lower until chest hovers just above the floor, then push back up.

02 Supermans5 × 10

Face-down, arms stretched forward. Lift arms, chest and legs a few inches off the floor. Squeeze; lower with control.

03 Bodyweight Squats5 × 10

Feet shoulder-width, toes slightly out. Sit back and down as if into a chair; drive up through your heels.

04 Bird Dogs5 × 10/side

On all fours. Extend one arm forward and the opposite leg back until level. Return; swap sides.

05 Plank5 × 50s

Forearms and toes on the floor, body in one straight line. Squeeze glutes and core. Don't let hips sag or lift.

B

WIDE ANGLES

Chest & full-body

01 Wide Push-ups5 × 10

Push-ups with hands set wider than your shoulders. Loads the chest more; eases the triceps.

02 Reverse Snow Angels5 × 10

Face-down, arms by your sides. Sweep arms in an arc up over your head and back, staying lifted off the floor.

03 Lunges5 × 10

Step forward; drop the back knee toward the floor. Front knee stays over ankle. Push back up; alternate legs.

04 Plank Shoulder Taps5 × 10/side

Plank position. Tap one hand to the opposite shoulder without letting your hips rock. Keep them square.

05 Burpees5 × 50s

Squat, hands down, jump feet back to plank, jump feet in, stand and jump up. Land soft each rep.

C

GROUND FLOOR

Posterior chain

01 Tricep Dips (floor)5 × 10

Sit with hands behind you, fingers forward, knees bent. Lift hips; bend elbows to lower, straighten to raise.

02 Prone Y-Raises5 × 10

Face-down, arms extended overhead in a Y shape. Lift them off the floor; squeeze your shoulder blades together.

03 Glute Bridges5 × 10

On your back, knees bent, feet flat. Drive hips up until knees, hips and shoulders form a line. Squeeze at the top.

04 Flutter Kicks5 × 10

On your back, legs straight and slightly raised. Kick alternately up and down in a small controlled range.

05 Mountain Climbers5 × 50s

Plank position. Drive knees toward your chest one at a time, as fast as you can while keeping your plank steady.

D

ISOLATION

Fine control

01 Tricep Push-ups5 × 10

Push-up with hands under shoulders, elbows brushing your ribs as you lower. Hits the triceps hard.

02 Wall Slides5 × 10

Back and arms against a wall in a goalpost shape. Slide arms up overhead and back down, keeping contact throughout.

03 Single-Leg Glute Bridge5 × 10/leg

One foot planted, other leg extended straight. Drive hips up using the planted leg. Swap after 10 reps.

04 Dead Bugs5 × 10/side

On your back, arms and knees stacked over your torso. Lower opposite arm and leg toward the floor; keep your back flat.

05 Russian Twists5 × 50s

Sit, lean back slightly, feet lifted. Rotate torso side to side, tapping the floor beside each hip.
